**TUITION/FEES**

Tuition for participation in the Southridge 2024 Marching Band is **\$600 per participant**. Tuition helps to cover the cost of show design, instruction, competition fees, costumes and props, a show shirt, and other related expenses. The Fall 2024 season is expected to cost approximately \$33,600.

An additional expense of **\$50** covers the purchase of marching/guard shoes which the student is required to have. New band members need to purchase shoes. If you still have your shoes from Fall Marching Band, you do not need to purchase new shoes unless you would like to.

The payment for shoes goes to SIMDE and we make one purchase each season for everyone purchasing shoes, so everyone has the same style. Shoe size will be taken when the student is sized for the uniform/costume.
